She say she wants me but I know she really wants my, wants my
She been tryina fuck me for bout a week, yep, yep
I'ma hit her with the bang, bang,
Hit her with the boom, with the pow, with the pow
Knock her down now

She told me killer stop plan, leta b*tch f*ck some
I told her run it lil mama, you ain't saying nothing
Bang on that thing, beat it up, might lump it
Eat it up then I throw a few more punches
But I'm the one to hit her quitter
A lot of girls but none of them was winners
Mister officer, trick I was surrender
I hit her with that bang, knock her down Paul Timber
I'm out of there

[Chorus]

She say she wants me but I know she really wants my, wants my
She been tryina fuck me for bout a week, yep, yep
I'ma hit her with the bang, bang,
Hit her with the boom, with the pow, with the pow
Knock her down now
There she would have it no other way
I'ma hit her with the bang
I'ma hit her with the boom
I'ma hit her with the bang
I'ma hit her with the boom
I'ma hit her with the bang
I'ma hit her with the boom
I'ma hit her with the bang
I'ma hit her with the boom

Uh, guess she know who I am
Mister pop pop, hit her with that bomb
Knock her down that vietnam sh*t
She ain't gotta tell me cause I know she like that
She told her friends about me
Now they wanna f*ck so they can talk about me

But it's ok, yeah, it's alright
Cause I'ma f*ck em all by the end of the night
Hit her with the boom, with the pow, with the pow
Knock her down now
Man she couldn't get it it no other way

[Chorus]

She say she wants me but I know she really wants my, wants my
She been tryina fuck me for bout a week, yep, yep
I'ma hit her with the bang, bang,
Hit her with the boom, with the pow, with the pow
Knock her down now
There she would have it no other way
I'ma hit her with the bang
I'ma hit her with the boom
I'ma hit her with the bang
I'ma hit her with the boom
I'ma hit her with the bang
I'ma hit her with the boom
I'ma hit her with the bang
I'ma hit her with the boom.
