

## Intimidated - Song Lyrics

(spoken)

Oo, I see you over there  
Don't be shy  
Come here, um!

You got that thing that I can't deny  
So move it over here, oh yeah!  
You're giving signs that I recognize\*  
Say what you want, oh yeah  
Baby, there's something about you  
Show me, that nothing can hold you down  
Cause i, I must confess  
I'm feeling you right now

Chorus:

So, baby, take your chance  
And show your confidence  
Oh, baby, tell me who you are  
You make my body scream  
You make me believe  
That you're what I'm waiting for  
(don't you be intimidated)  
Just be a man  
Show me where you stand  
Positively, oh yeah  
I don't come off shy if you want me back  
And if my pgo's o\*, no, don't give up to that

Baby, there's something about you  
Show me, that nothing can hold you down  
Cause i, I must confess  
I'm feeling you right now  
Chorus

B-r-i-t-n-e-y  
B-r-i-t-n-e-y  
It doesn't matter, girl  
As long as you're picking me  
So much we can be, oo  
Yes, it's true  
But first you gotta make the move  
For me to see what I want with you

Chorus 2x
