

ADD - Song Lyrics

ADD Disorder  
ADD Bored To Death  
ADD Disorder  
ADD Bored to death  
I cant sit still for a minute  
Most impatient kid on the planet  
got ADD and i aint kiddin'  
gonna overdose on my ritalin

ADD Disorder  
ADD Bored to death  
ADD disorder  
ADD bored to death  
High is fucking Unreal  
Six hours of sitting still  
always having a teacher tell you what to do  
(Insert your high schools name here)...Fuck you

ADD Disorder  
ADD Bored to death  
ADD disorder  
ADD bored to death  
Sitting out in the rain  
where the fuck is the train?  
can never do anything for too long  
now im sick of this song

ADD Disorder  
ADD Bored to death  
ADD disorder  
ADD bored to death
