

No More Trouble - Song Lyrics

(feat. Erykah Badu)

[News coverage at the beginning]

[All]

We don't need no more trouble

We don't need no more trouble

[Erykah]

What we need is love (love)

To guide and protect us all (all)

If you hope good down from above (love)

Help the weak if you are strong now (strong)

[Bob]

We don't need no trouble

What we need is love

[All]

We don't need no more trouble

We don't need no more trouble

[Erykah]

Weeping for the living

Weeping for the dead

Weep for one another

Weep for happiness

Weeping for the struggle

Weeping for the pain

Weeping for the children

We must take the blame

[Bob]

Seek happiness

(It's sad enough without your foes)

Come on, you all and speak of love

(It's sad enough without your foes)

We don't need no trouble

What we need is love now

(What we need is love, sweet love)

[All]

We don't need no more trouble

We don't need no more trouble

[Erykah]

Now end the war which you just begun

It's sad enough without your foes

I thought I told you not to mess with me

Don't want no trouble but trouble found me

But Marley saying speak of love not war

But we be trying but then eh we don't

[Bob]

Oh we don't need no trouble

We don't need no trouble

[All]

We don't need no more trouble

We don't need no more trouble

(Make love and not war cause we don't need no trouble)

We don't need no more trouble
